DESIGN INSPIRATION:

Introducing the Blossom Chinoiserie wallcovering collection. Layered with painterly florals and a serene sense of movement, Blossom Chinoiserie evokes the romance of antique Asian botanical panels while feeling fresh, refined, and distinctly modern. The plum and cherry blossoms serve as symbols of renewal, impermanence, and quiet elegance — transforming the pattern into more than decoration alone, but an emotional expression of beauty, grace, and sophistication. The collection balances softness with elevated glamour, pairing delicate floral compositions with subtle texture, luminous grounds, and nuanced coloration that create depth without heaviness. The result is an atmosphere that feels tranquil, collected, and effortlessly luxurious.

Designed for exceptional hospitality and residential interiors alike, Blossom Chinoiserie is ideal for: luxury hotels and private suites, elegant bedrooms and dressing rooms, sophisticated dining rooms and salons, boutique hospitality spaces, refined coastal and traditional residences, serene lounges and garden-inspired interiors.
